

NSW CTP - Compulsory Third Party

In keeping with GT's philosophy of being a one-stop insurance solutions provider, we are also able to supply your client with competitively priced CTP insurance in NSW. We specialise in the provision of CTP to corporate fleet vehicles and are able to offer great rates for the following types of vehicles:

- Commercial motor
- Heavy motor
- Regional buses
- Registered plant

With our online issuing capabilities, CTP details will be sent directly to the RTA enabling your client to register their vehicle immediately without having to wait for mailed documents.

Additional benefits – At Fault Driver Protection

Standard CTP cover in NSW does not cover injuries sustained by the driver that is at fault in a motor vehicle accident. Every CTP insurance policy sold by GT, however, comes with a bonus At-Fault Driver Protection policy which provides drivers of your clients' vehicles with up to \$300,000 of cover for various severe injuries that might be sustained if they are at fault in a motor vehicle accident*.
